Hi Josh,

We have not heard anything about publication yet.

Here is the link to the briefing sheet that we circulated with the signature package.

Jennifer, we're starting to get some requests from ORC management on info as we anticipate future briefings of the new Regional Counsel. I have two questions:

- Any update on publication?
- Do you have a recent We Care briefing sheet you can share?

Thank you. Hopefully I won't need anything else.

No, but we anticipate it will take a little bit since the notice is so long.

Jennifer, I realize that HQ was in charge of transmitting to OFR, but have you heard anything about a publication date for the FRN? Thanks.

Congratulations, everyone. Let the litigation commence ☺.

We will be filing status reports tomorrow to update the DDC, 5th Circuit, and DC Circuit regarding signature on these actions.

By tomorrow morning at the latest, please make sure I receive a copy of the signed, pre-publication versions of the action, as well as the URLs for their posting on EPA's website.

Thank you!

Hi Corey,

Do you already have a copy of the signed TX RH notice? I can send you a pdf copy with the pre-publication disclaimer language if you don't already have this.

Thank you,

I am working on getting everything posted to the web on the CAMD and OAQPS web areas. While the Administrator signed the petition denial NOA, we do not yet have a copy of the signed petition denial letter.
